MISSION STATEMENT

To increase the organized capacity of people to care for one another through the support of local United Way Agencies.

HISTORY

The national United Way movement began as a combined effort of religious and charitable organizations in 1887. The United Way of Jefferson County began as The Community Chest of Steubenville in 1931. It was organized by the leaders of the Steubenville Chamber of Commerce to address depression-era needs through the support of ten local agencies. The first campaign goal was amazingly only \$80,000!

In 1976, the Community Chest became the Steubenville Area United Way. In 1983, a merger occurred with another name change to the United Way of Jefferson County. That merger resulted in the Toronto Community Chest and the Mingo Community Chest becoming grandfather agencies of the United Way of Jefferson County.

Today there are approximately 1400 United Way's nationwide. Historically, United Way has become a staple to thousands of communities across the country with a strong reputation as being the leading fundraising organization in the United States. United Way is also known for achieving lasting results that tackle our community's most pressing issues at hand.

Traditionally, United Way has been known as a workplace fundraising organization with high visibility and community respect. The United Way of Jefferson County currently helps support twenty-one member agencies and programs through monthly allocation distributions. In the fall of 2008, our United Way grew to an estimated pledge amount of over \$440,000. We depend on hundreds and hundreds of volunteers each and every year to reach this goal and assist the ever growing number of persons in need in Jefferson County.

Thank You!

Have you Ever?

*Have you ever in a single day
found a child a place to play?*

*Or helped a woman find a house
when she's been battered by her spouse?*

*Or helped an elder manage strife
and given him back a better life?*

*Or cooked a meal for homeless men
and found them blankets, beds and then...*

*Bought a girl a teddy bear
and smoothed the tangles from her hair?*

*Have you ever in a single day done so much?
Well, by the way...*

*You've done all that when you say,
"I donated through United Way."*

FAMILIES SAVE ON

PRESCRIPTION DRUGS

United Way has partnered with Membership Services of Bethlehem, Pennsylvania and is providing FamilyWize prescription drug cards to Jefferson County residents. **In 2008, there were 2463 claims with a total savings of \$52,471 in Prescription Drug costs to Jefferson County residents!** The average savings is about 36% off the retail price of the medication. There are no income guidelines for usage of the card and they are very helpful to local individuals with no prescription drug coverage. Most of the local pharmacies are accepting the card to help with purchasing medicines at a much more reasonable cost. The response to date has been tremendous. If you know of someone who could use the card, please call the United Way office.

GO-FER THE GOAL!!!

Digging up money for the United Way...

Goalie the Gofer needed a home again this year. When we started “Goalie” in 2004 he kept warm with the Indian Creek Redskins. In 2005 he found a new home with the Buckeye Local Panthers. Then, in 2006 he was with the Edison Wildcats and in 2007 he was with Steubenville Big Red. Last year “Goalie” fit right back in with the Indian Creek Redskins.

However, Edison went above & beyond again this year.

“GOALIE” WILL RETURN TO EDISON TERRITORY!

Congratulations and a BIG THANK YOU goes to all

School Districts for working so hard for our

United Way!

We 're helping children in your schools.

But will “Goalie” soon have a friend? Stay tuned...
