

Dear Community Agency,

United Way of Jefferson County is currently accepting applications for 2024 funding. We offer grants focused on making an impact in the areas of Education, Income, and Health, in addition to numerous other opportunities to fill service gaps or impact critical issues.

Deadline to return your application is April 7, 2023 before 11:00PM.

The allocations process is the cornerstone of United Way. It ensures fiscal and program accountability for all agencies receiving United Way funds while meeting the social services needs of our community. In the process, volunteers challenge each agency's effectiveness in providing services, review the need for those services in the region, and analyze the impact of United Way funding in meeting those needs. When reviewing proposals from registered 501(c)(3) agencies, volunteers and United Way staff use the following selection criteria:

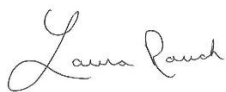

- **Location:** Funding is restricted to Jefferson County.
- **Alignment:** Programs must align with our organizational priorities; Education, Income, and Health & Wellness.
- **Impact:** Programming must be effective as reflected by evaluation efforts and outcomes.
- **Clients:** Populations served should encompass people of all backgrounds and abilities. We take special note of the underprivileged, youth, and elderly.

Enclosed in this packet you will find a schedule for the allocation process and detailed criteria each agency must meet before receiving funds.

Applications for funding can be found at [Unitedway-jc.org/Funding](https://unitedway-jc.org/Funding).

We greatly appreciate your dedication and willingness to serve our community. If you have any questions or concerns, please contact the United Way office.

PROGRAM FUNDING AND APPLICATION GUIDELINES

MEMBER AGENCY REQUIREMENTS IN ORDER TO RECEIVE ALLOCATIONS

1. The AGENCY must provide a needed human service - charitable, health-related or a social service - and should **not be a duplication of services**.
2. The AGENCY is required to submit verification of current **501c (3) IRS Tax Exempt Non-profit Status**.
3. The AGENCY is required to submit the most recent **IRS FORM 990**. The following is **NOT ACCEPTABLE** for application purposes: IRS Forms 990 EZ, 990PF, and comparable forms. This is not based on which form an agency files with the IRS each year. If the agency does not file the regular 990, the agency **must still complete at the minimum page 1 and sign it**, and complete pages 9 and page 10, all from the regular IRS **Form 990**. This form can be found on the IRS website at www.irs.gov. This form requirement is for application purposes only and forms will not be filed with the IRS.
4. The AGENCY must be **incorporated and/or authorized to do business in Ohio** as a voluntary, non-profit organization and current in its requirements to register, pay a filing fee, and file the annual financial reports with the Ohio Attorney General's office, **registered and reporting annually with the Ohio Attorney General** as required by Chapters 109 and 1716 of the Ohio Revised Code. Ohio's charitable solicitation statute provides that every charitable organization that intends to solicit contributions in Ohio by any means, shall file a registration statement with the Ohio Attorney

General. Religious organizations are exempt from this requirement. However, if your organization is incorporated in another State but still solicits contributions in Ohio, the agency must still file the necessary paperwork with the Ohio AG's office annually. For further clarification on this issue, please visit the Ohio Attorney General's website at www.ag.state.oh.us.

5. The AGENCY must commit to support the United Way mission and actively participate in **United Way fundraising**.
6. The AGENCY must have a volunteer (**non-compensated**) **Board of Directors** that meets regularly (at least four times per year) and can submit their names, addresses and phone numbers to the United Way.
7. The AGENCY is required to submit a copy of their **most recent certified Audit** from an independent auditor, including a management letter from the auditor. (If applicable – see audit guidelines).
8. The AGENCY must agree to make **no solicitations** and not to actively raise funds within the territory covered by our local United Way campaign during the **“Exclusive/Blackout Period” of September 1st through November 30th** of every year. Exceptions to this policy require prior approval by the United Way Board of Directors and must be requested at the time of application for funding.
9. The AGENCY must include the United Way **logo on all printed materials** and it **must be displayed at all community, special and fundraising events**.
10. The AGENCY must also mention United Way relationship in **all media correspondence**.
11. The AGENCY must agree to comply with all terms of the **United Way of Jefferson County Allocation Acceptance & Agency Agreement**. (A copy is included in this packet for your review).
12. The AGENCY is required, **to serve as a volunteer, to attend and to support** various United Way special events throughout the year, including but not limited to the following: Annual Day of Action & Campaign Kick-off, Annual Recognition Dinner and the Taste of the County.

PROGRAM FUNDING AND APPLICATION GUIDELINES

- Grant must be submitted by April 10, 2022 before 11:00PM.
- No deadline extensions will be granted for the applications.
- The submission of an application **does not in any way** ensure funding.
- All questions must be answered **completely**. If a question does not apply to your agency, please enter N/A on the application. Or skip to the next question if not required.
- Requests for exemptions from the United Way's "Exemption/Blackout" period should be attached with agency applications. If you think you will have fundraising activity of any kind (*even corporate mandated or commonplace for your organization*) and it will take place during SEPTEMBER, OCTOBER or NOVEMBER, **you will need to request exemption for this fundraising activity at the time of budget form submission, because you will not be given another chance to do so.**

ENFORCEMENT AND SANCTIONS OF AGENCY POLICY

1. OVERVIEW

United Way's continued success in voluntary fundraising is based on the concept of conducting an annual community-wide campaign for support of a network of needed services. The campaign works due to the mutual objective of United Way and the member agencies to maximize the dollars available for providing services in our county and the surrounding area. United Way recognizes that because member agencies do not typically have their full financial needs met from United Way through this annual campaign, supplemental fundraising may be necessary. As a matter of principal, fundraising activities must not compete with or jeopardize the integrity of the United Way of Jefferson County and its annual fundraising campaign, from a standpoint of timing or by methods of solicitation.

- A. It is anticipated that member agencies will comply with all conditions stated in the Allocations acceptance agreement (see *United Way of Jefferson County Allocation Acceptance & Agency Agreement* for specific conditions). **Also, any misrepresentation or unethical conduct in conflict with the United Way Code of Ethics (found in the United Way Personnel Policies & Procedures pages 10-19), or any criminal activity against member agencies and/or the United Way and any other violation of said agreement may result in sanctions up to and including loss of allocation and decertification.**
- B. If there is a **violation of the United Way of Jefferson County Allocation Acceptance & Agency Agreement**, the Agency Relations Committee will conduct the following procedures:
 1. A hearing will be scheduled **within 30 days** of notification to discuss the infraction.
 2. **Attending** this hearing will be:
 - Agency Relations Committee (consisting of the United Way Board of Director Executive Committee--Board President, Vice President, Treasurer, Secretary, and Executive Director; the Chairperson of the Allocations Committee, and a Board member at-large.)
 - The Agency Director
 - The Program Director
 - The person who prepared the Agency budget
 2. If hearing is declined, **CURRENT YEAR FUNDING TO THE AGENCY WILL BE STOPPED.**
- C. If the infraction is determined (after recommendation by the Agency Relations Committee and approval by the Board of Directors) to be minor in nature, a letter of reprimand will be sent to the Agency Director.
- D. If the infraction is determined to be major in nature (after recommendation by the Agency Relations Committee and approval by the Board of Directors), the following sanctions and process will be applied:
 1. A penalty may be levied in the amount of **one month's allocation**.
 3. A second violation within a two-year time period from the effective date of the First violation may cause the agency to be **decertified as a United Way agency**.
 4. Agencies will be notified of the results of the interview **within 10 days** by Certified mail.
